MRA400 / 401

Internal 5.25" Multi-bay backplane module

3.5" x 3 HDDs

Introduction

Aluminum alloy case with 2pcs of 40mm fan for excellent heat ventilation solution.

Use 5.25" x 2 bay slots for 3 HDD.

Compact design with worldwide patented tool-less design for HDD ejection.

Patent NSS (Non-Scratch SATA connector)

Patent power/LED cable management

MRA400 / 401 are very durable and strong for end user. We guarantee 50,000 cycles of immediate hot-swap guarantee.

It's tool-less & screw-less design for HDD installation and tray-less design.

Easy remove the HDD from PC and transport to anywhere.

Simple installation. Easy, fast, safe, convenient and reliable.

Feature

- I Aluminum alloy case with 2pcs of 40mm fan for excellent heat ventilation solution.
- I 2 x5.25" slots afford 3 HDDs
- I Easy transport and secure valuable data.
- I Unique key lock design (for MRA401)
- I Dual LED indicator (Blue: power on, Red: HDD activity)
- I 50,000 times immediate hot swap guarantee.

WINGSONIC LTD.

- | Worldwide patented 50K hot swap cycles NSS (Patent NSS :Non-Scratch SATA connector)
- | Patent power / LED cable management
- | Support SATA II (3.0Gb/s).
- | Tool-less & screw-less design for hot-swapping HDD
- | Tray-less structure
- | Patented SATA power cable with LED signal cable

Specification :

- | Aluminum alloy case materials
- | Hot-swap rack enclosure , fits in 2 X 5.25" slot of PC case , afford 3 HDDs
- | HDD ejection: Worldwide patented design, tool-less & screw-less structure
- | Easy transport and secure valuable data
- | Unique key lock design (for MRA401)
- | Dual LED indicator for Power (Blue LED) and HDD Access (Red LED)
- | Support Hot-swap
- | Swapping guarantee cycle:50,000 times immediate hot swap guarantee
- | Patent NSS (Non-Scratch SATA connector)
- | Patent power / LED cable management
- | Two rear cooling fans 40 x 40mm, one ball one sleeve bearing, guarantee 30K hours
- | Low noise and high performance
- | Working Temp: 0 C~50C
- | Supports SATA II (3.0 Gb/s)
- | Driver-Free support
- | Power supply: Specific 7 + 15P SATA cable (standard)
- | Weight :1100g
- | Product size: 194 x 146 x 85 mm
- | Remark: Limit-free for HDD capacity

Support O/S :

- | Windows98SE/ME/2000/XP/Vista
- | MAC OS X (10.3.9 or higher)

Accessories :

- | Lock/Unlock keys x2 (for MRA401)
- | Screws x 8
- | Specific SATA7 + 15P cable x 3
- | Manual

Package :

- | Generic packing (White Box)
